

Evergreens Veterans Green Careers Landscape Training Program

This amazing paid training opportunity provides Veterans with skills needed to pursue a career in landscape care. If you are interested in working outdoors with plants and landscape, this career path training may be for you. Hands-on training and work experience as well as classroom instruction takes place on the beautiful grounds of the Evergreens, a 225-acre historic rural cemetery in Brooklyn and Queens. The Evergreens is a certified Arboretum, Level II, with rolling green hills, winding paths, open green terrain and 3,000 trees.
